

## Telling time to the hour and half hour

Time is the measurement of how long something takes to happen. We use a clock to measure time in hours and minutes.

1. Watch the video

2. Use the word bank to complete the sentences

60 minutes

One day

1 minute

There are  in 1 hour. There are 60 seconds in . There are 24 hours in .

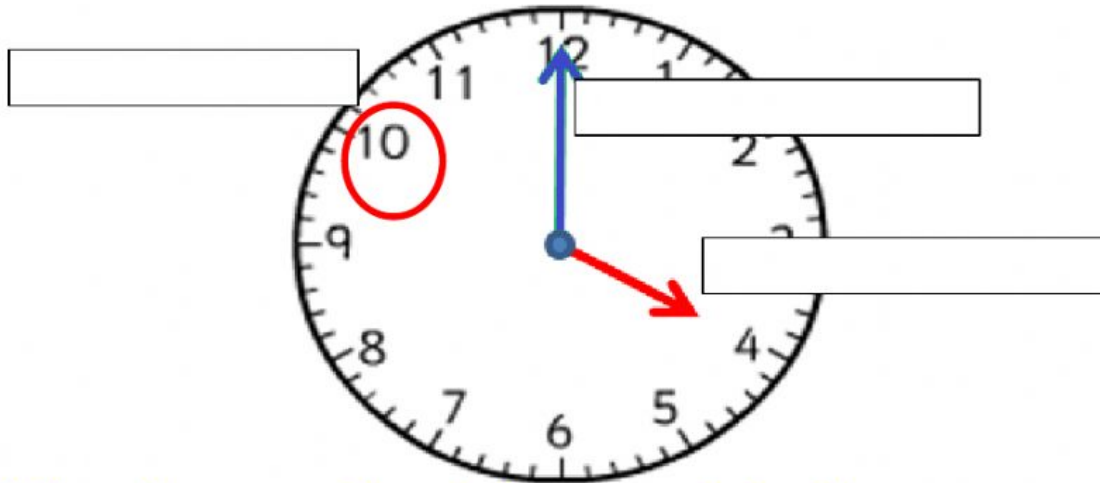

### 3. Identify the part of the clock.

Click and drag the words to the parts of the clock.

hour hand

numbers

minute hand

### 4. Use the word bank to complete the sentences

minutes

minute

hand

hand

hours

hour

The long hand tells us the \_\_\_\_\_  
and it is called the \_\_\_\_\_.

The short hand tells us the \_\_\_\_\_ and it is  
called the \_\_\_\_\_.
