I have to say that I'm really worried now about our town. It used to be 1 lovely place to live but now there are 2 serious problems for the residents. For one thing, there is 3 growing trend for 4 remaining houses in the town to be turned into 5 hotels for tourists who come in 6 summer. During 7 peak tourist season, it's impossible to move around normally since there are too many people in 8 narrow streets. Where, in 9 old days, visitors could buy 10 hand-made crafts, now all they can find are 11 cheap souvenirs. Not only that, 12 town is wasting its resources on producing 13 entertainment for the tourists when they should be improving 14 quality of 15 life of those who live here!
