I listen to Irish music on the radio! I started Irish dance classes when I was five. I couldn't dance at first. It was difficult! But now I dance in competitions.

I listen to reggae online. I play it on my guitar and sing too. My favourite reggae artist is Bob Marley. He could write great songs!

My dad is a musician and a singer. He could play the piano when he was very young. Now he loves karaoke singing. He uses a microphone and reads the words on a screen. I don't like singing, but I like techno music. I download it from the internet and I listen to it on my mobile phone. I watch techno music videos on TV and on my laptop too.
