

SHE WILL BE LOVED

By Maroon 5

- Tap on my window, knock on my door, I
Want to make you feel beautiful
I know I tend to get so insecure
It doesn't matter anymore
- Please don't try so hard to say good-bye
I don't mind spendin' everyday, out on your
corner in the pourin' rain
Please don't try so hard to say good-bye
- I drove for miles and miles and wound up
At your door
I've had you so many times but somehow I
want more
- I don't mind spendin' everyday
Out on your corner in the pourin' rain
Look for the girl with the broken smile
Ask her if she wants to stay awhile
And she will be loved, and she will be loved
And she will be loved, and she will be loved
- I don't mind spendin' everyday
Out on your corner in the pourin' rain
Look for the girl with the broken smile
Ask her if she wants to stay awhile
And she will be loved, and she will be loved
- Yeah, tap on my window, knock on my door, I
Want to make you feel beautiful
- I know that goodbye means nothing at all
Comes back and makes me catch her every
time she
Falls
- Beauty queen of only eighteen she
Had some trouble with herself
He was always there to help her, she
Always belonged to someone else

I know where you hide alone in your car
Know all of the things that make you who you
are

I don't mind spendin' everyday
Out on your corner in the pourin' rain oh
Look for the girl with the broken smile
Ask her if she wants to stay awhile
And she will be loved, and she will be loved
And she will be loved, and she will be loved

It's not always rainbows and butterflies
It's compromise that moves us along yeah
My heart is full, and my door's always open
You can come anytime you want yeah

1. Listen to the song and number the stanzas (from 1 to 11) in the correct order.
2. Identify examples of simple past and present perfect in the song.
