

The one that got away

Listen to the song and fill in the gaps

Summer after high school when we met
We make-out in Mustang to Radiohead
And on my 18th Birthday
We got matching tattoos

Used to steal your parents' liquor
And climb to the roof
Talk about our future
like we had a clue
Never that one day
I'd be you

In another life
I be your girl
We keep all our promises
Be us against the world

In another life
I would make you stay
So I don't have to say
You were the one that got away
The one that got away

I was June and you were my Johnny Cash
 one without the other We a pact
Sometimes I miss you
I put those on
Someone you had tattoo removed
Saw you downtown singing the Blues
It's time to the music
I'm no your muse

But in another life
I would be your girl
We keep all our promises

Be us against the world

In another life
I would make you stay
So I don't have to say
You were the one got away
the one that got away
The one
The one
The one
The one that got away

All this can't buy me a time machine (No)
Can't replace you with a million (No)
I shoulda you you meant to me (Whoa)
Cause now I pay the price

In another life
I be your girl
We keep all our promises
Be us against the world

In another life
I make you stay
So I don't have to say
You were the one that got away
The one that got away
The one
The one
The one

In another life
I would you stay
So I don't have to say
You were the one got away
The one got away
