## Grammar

**Although** we use the word all the time, it can describe a whole range of relationships.

I've got about 350 friends on social networking sites. **However**, I only really know about thirty of them.

Of course our friends make us happy. **On the other hand**, having more than a few can be stressful.

**In spite of/Despite** knowing everything about me, they're still my friends.

*Although* and *however* have the same meaning as *but*. Notice the punctuation. *Although* И *however* имат същото значение като *but*.

Обърнете внимание на пунктуацията.

*Although* links two clauses to make one sentence.

*Although* свързва две изречения

*However* and *on the other hand*, followed by a comma, introduce the new idea in a second sentence. *However* И *on the other hand*, следвани от запетая, въвеждат новата идея във второто изречение.

*In spite of/Despite* must be followed by a noun or a gerund (-ing form)

След *In spite of/Despite* трябва да има съществително име или *-ing* форма на глагола.

### Practice

5 Choose the correct options.

- 1 Although / In spite of he has lots of friends, Harry doesn't go out much.
- 2 Marty and his dad sometimes argue. Although / However, they usually get on well.
- 3 My parents are annoying sometimes. On the other hand / Despite, I know they love me!
- 4 In spite of / However being very tired, Danny helped me with my homework.
- 5 Although / Despite the argument, we're still friends.
- 6 On the other hand / Although we don't always agree, we get on well.

6 Make sentences with *although*, *in spite of/ despite*, *however* or *on the other hand*. Add commas where necessary. There are several correct answers.
