

Resuelve:

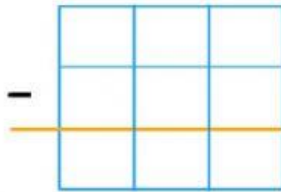

- En un bosque hay 375 pinos y 158 encinas. ¿Cuántos árboles hay en total?

En total hay

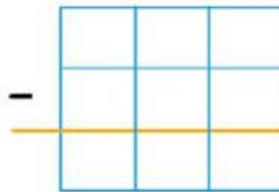

Coloca en vertical y resta:

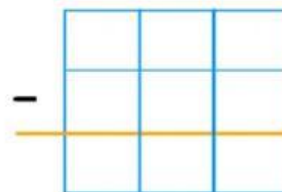

$$678 - 489$$

$$405 - 87$$

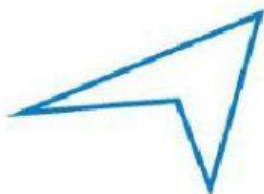

$$546 - 98$$

Completa:

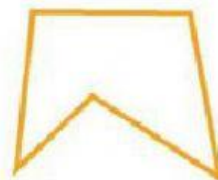

Cuenta el número de lados y de vértices.

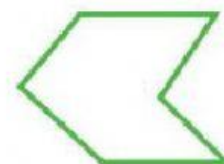

..... lados

..... vértices

..... lados

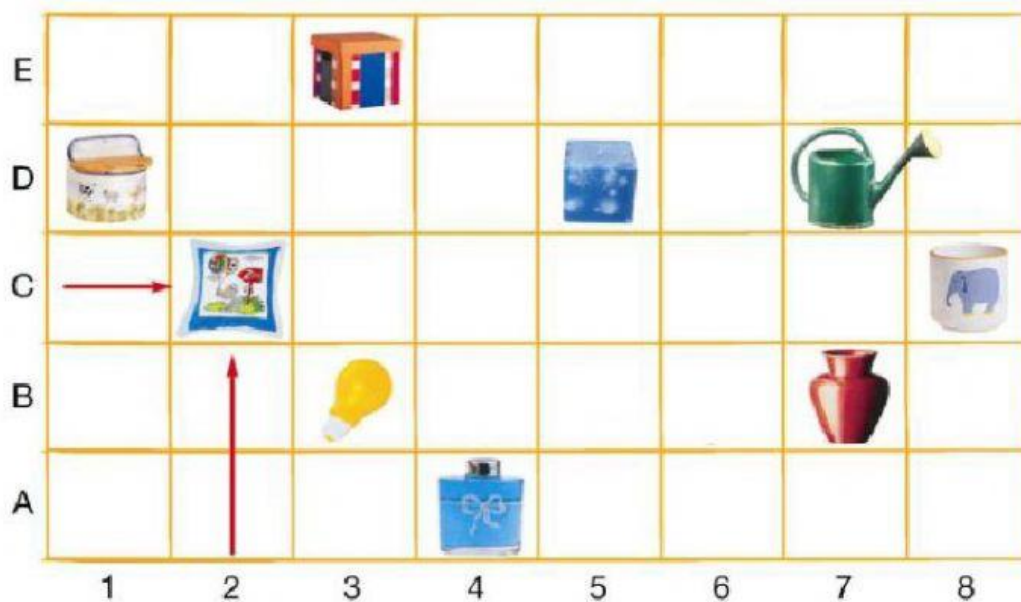

..... vértices

..... lados

..... vértices

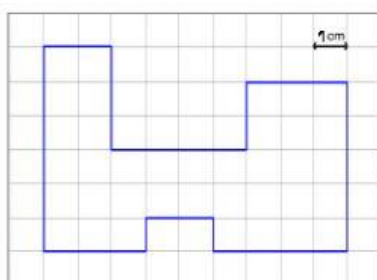

Observa y completa.

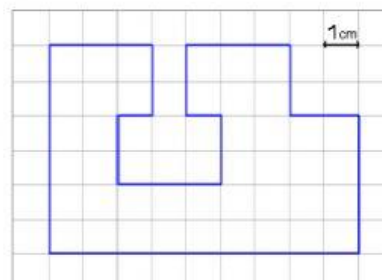

¿En qué casilla está?

Cuenta y escribe el perímetro de las figuras.

..... centímetros

..... centímetros

Ordena de mayor a menor:

746	314	467	431	544	454
