

JAMIROQUAI VIRTUAL INSANITY

(PUT THE WORDS IN THE CORRECT ORDER OR FILL IN THE GAPS)

(PUT I THE CORRECT ORDER)

When things are big that should be small

It's a wonder man can eat at all
Who can tell what magic spells we'll be doing for us
And I'm giving all my love to this world
Only to be told
I can't see
I can't breathe
Oh yeah, what we're living in (let me tell ya)

No more will we be

And nothing's going to the way we
'Cause we can take but never give
And now that things are changing for the worse,
See, its a world we're living in
And I just can't see that half of us in sin
Is all we have to give these

Futures made of now
Always seem to, be by this love we have
For useless, twisting, our
Oh, now there is no for we all live underground.

(PUT IN ORDER)

Hard to know where to begin

And I'm thinking what a mess we're in
And now every mother, can choose the color

If I could slip the sickly ties that earthly man has made

That's not nature's way

Of her child
There's nothing left to do but pray

Well that's what they said yesterday
I think it's time I found a new religion
To synthesize another strain
There's something in these
Futures that we have to be told

Whoa, it's so insane
