Speak Now

Elevator buttons and morning air,
Stranger silence makes me wanna take the stairs.
If you were here we'd laugh about ____ vacant stares,
But right now ____ time is ____.

Seems like there's always someone who disapproves.
They'll judge it like they know about me and you
And the verdict comes from those with nothing else to do.
The jury's out, ____ choice is you.

[Chorus]

So don't you worry ____ pretty little mind,
People throw rocks at things that shine
And life makes love look hard.
The stakes are high, the water's rough
But this love is ____.

You never know what people have up ____ sleeves,
Ghosts from ____ past gonna jump out at me.
Lurking in the shadows with ____ lipgloss smiles,
But I don't care.
Cause right now you're ____.
And you'll say,

[REPEAT CHORUS]

And it's not ____ to speculate if it's wrong
And ____ hands are tough but they are where ____ belong in.
I'll fight ____ doubts and give you faith with this song for you

Cause I love the gap between ____ teeth
And I love the riddles that you speak.
And any snide remarks from ____ father
About ____ tattoos will be ignored
Cause ____ heart is yours

[REPEAT CHORUS]
