Hi Melanie

How are you? I'm at my new school. I'm in Class 5 and my teacher's name is Mr Fisher. He's friendly and the students in my class are great.

My new classroom is fantastic but my timetable isn't great 😞. On Mondays, it's science at 9 o'clock, maths at 9.50 and history at 11 o'clock in the morning! On Wednesdays, it's geography at 2.15 and PE at 3 o'clock in the afternoon. My favourite day is Friday. It's art in the morning 😊. In the afternoon, it's English at 2.15 and IT at 3 o'clock.

And hours of homework in the evening and at weekends! Help! 😞

What's it like at your new school? Email me soon.
