

# m & n

🌸 그림에 알맞은 끝소리 글자를 선택하시오.

①

|      |                                                                                   |
|------|-----------------------------------------------------------------------------------|
| m    |  |
| n    |                                                                                   |
| ha__ |                                                                                   |

②

|      |                                                                                     |
|------|-------------------------------------------------------------------------------------|
| m    |  |
| n    |                                                                                     |
| mo__ |                                                                                     |

③

|      |                                                                                     |
|------|-------------------------------------------------------------------------------------|
| m    |  |
| n    |                                                                                     |
| fu__ |                                                                                     |

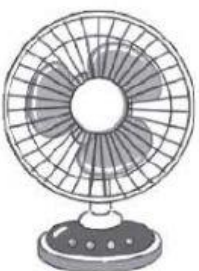

④

|      |                                                                                       |
|------|---------------------------------------------------------------------------------------|
| m    |  |
| n    |                                                                                       |
| ma__ |                                                                                       |

⑤

|      |                                                                                     |
|------|-------------------------------------------------------------------------------------|
| m    |  |
| n    |                                                                                     |
| gu__ |                                                                                     |

⑥

|      |                                                                                       |
|------|---------------------------------------------------------------------------------------|
| m    |  |
| n    |                                                                                       |
| fa__ |                                                                                       |
