plums

2 Read and write the fruit or vegetable.

1 They're small, round and sweet. They're green or purple.

grapes

2 It's a purple vegetable, but it's white inside.

3 It's green or black. It's the same shape as a pear.

4 They're small, round and sweet. They are red or black.

5 It's white and it's got green leaves.

6 It's brown and yellow with long green leaves.

3 Read and tick (✓) what Jenny likes and cross (x) what she doesn't like.

Hi! I'm Jenny. I'm from South Africa. We have a lot of fruit and vegetables here and they're different in each season. In spring, I love strawberries. They're delicious!

We have green vegetables, too, but I don't like spinach. In summer, my favourite fruits are cherries. Pineapple is very sweet, but I don't like it at all.

In autumn, we have mushrooms and peppers. I quite like them, but I hate avocados. Cauliflower grows in winter and it's yummy.

1 Read and match.

- | | |
|--|--|
| 1 Red fruit and vegetables | a contain Vitamins A and C. |
| 2 White fruit and vegetables | b contain Vitamin C and nutrients to help absorb minerals. |
| 3 Orange and yellow fruit and vegetables | c contain nutrients for a healthy heart. |
| 4 Blue and purple fruit and vegetables | d contain fibre, calcium and Vitamin C. |
| 5 Green fruit and vegetables | e contain nutrients for your heart and stomach. |

2 Read and complete.

fibre disease nutrients calcium Vitamin minerals
