It was a winter camp for the students from all over the world. I met a lot of new friends from different countries. We stayed at a hotel near a mountain. It was a very luxurious hotel. In the mornings, we went skiing, in the afternoons, we had language classes. In the evenings, we sang songs and danced together. Sometimes, we played different winter games and joined snow races. We stayed there for ten days. It was a great experience for me and it was fantastic.
