

# Which one is my alien ?

## set 7

**1** Eden is an alien. He has got a round body, four long arms and two small legs. On his head, 3 hairs, 3 eyes and a horrible mouth with 2 teeth.

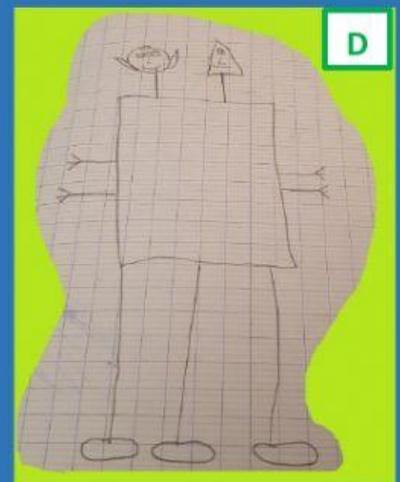

**2** He's got two heads. One head is round and it has got three eyes and a small nose and pointed ears. The second head is triangular and it has got one eye in the middle and a pointed nose. It hasn't got ears. His body is big and square. He has got three skinny legs.

### Read and write the letters :

n°1 is .... n°2 is .... n°3 is .... n°4 is ....

**3** His name is Bob. He has got a big round head, a little body, a little mouth. He has got two long arms. His nose is a triangle. He has got two antennas. He is happy.

**4** Can is an alien. He has got four eyes, a long mouth and two round ears. His hair is short. He has got six arms with two fingers. He has got three long legs and his body is big and round.
