Task 2: Read the lyrics below. Then, click on the MP3 player to listen to the song. Sing along. Tell me how you feel about the song on the coming lesson.

### Walk Away

You're a kite, you're a bird, you're a yellow balloon,  
You've got everything going on,  
You can fly, you can soar, you can glide to the moon!  
No one can bring you down.

#### Chorus:

Just don't listen to the mean people,  
Don't let them make you cry,  
Don't listen to the mean people,  
Just turn your back and say goodbye,  
If you let them put you down,  
They'll turn your smile into a frown,  
And I love to see you smile!  
Don't listen to the mean people,  
No. Just walk away.

Now I once knew a girl who was teased all the year,  
Other kids made her cry,  
So she sang her own song till that's all she could hear,  
And she turned out just fine.

**MP3 player:**

#### Repeat chorus.
