

# Flag Day

The day of National Flag is dedicated to the Argentine flag and to the commemoration of its creator, Manuel Belgrano. It's celebrated on June 20, the anniversary of Belgrano's death, and this year it is the 200 anniversary.

The National Flag has the same colour as the Argentine cockade, light blue, white with a yellow sun in the middle.

- 1) This is the Ceremonial Flag; write the names of its parts on the right place.

TAHALÍ

CUJA

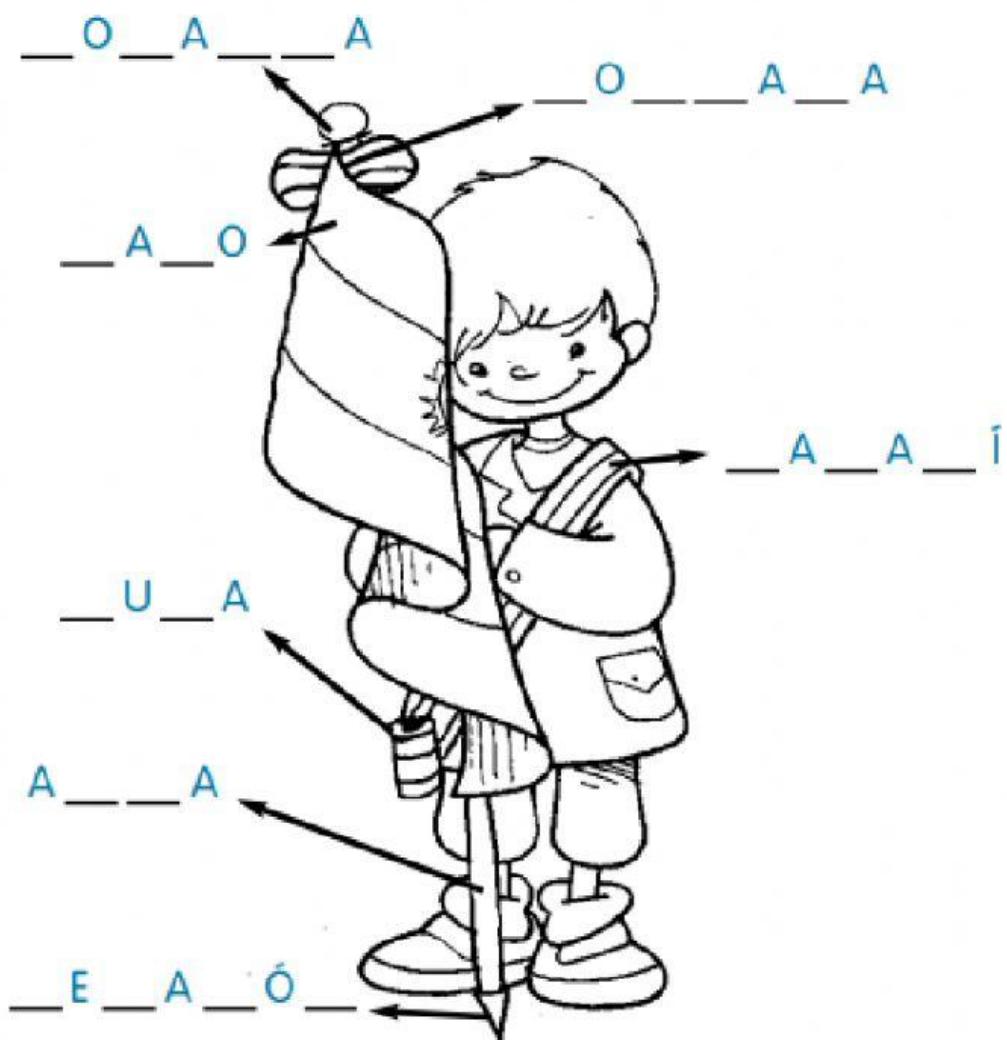

CORBATA

ASTA

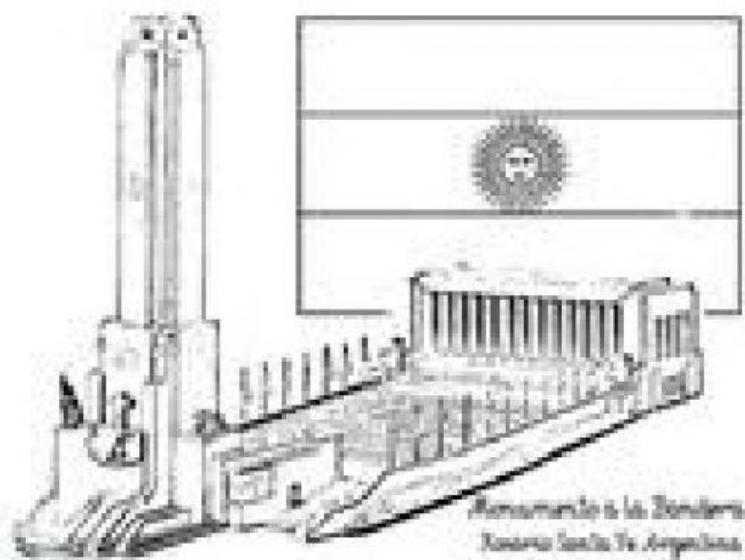

MOHARRA

REGATÓN

PAÑO

2) Answer the question.
