

# PROBLEMES

1.- Observa el dibuix i resol:

Quants pinzells hi ha en 6 capsos?

$$\square \circ \square = \square$$

---

Quants pinzells hi ha en 8 capsos?

$$\square \circ \square = \square$$

---

Quantes ceres hi ha en 10 capsos?

$$\square \circ \square = \square$$

---

Quantes ceres hi ha en 7 capsos?

$$\square \circ \square = \square$$

---

Fes aquestes multiplicacions:

$6 \times 2 = \square$

$6 \times 3 = \square$

$6 \times 0 = \square$

$6 \times 10 = \square$

$6 \times 4 = \square$

$6 \times 7 = \square$

$6 \times 5 = \square$

$6 \times 6 = \square$

$6 \times 9 = \square$

$6 \times 8 = \square$

$6 \times 1 = \square$

$6 \times 9 = \square$
