

PIRÁMIDES DE SUMAS

Completa la pirámide

Completa la pirámide con los números que faltan.
Cada piedra vale la suma de las dos piedras sobre las que se apoya.

An illustration of a pyramid puzzle set in a desert. The pyramid is built from yellow blocks. The bottom row has five blocks with numbers 6, 5, an empty space, 7, and 6. The second row has four blocks: the first is empty, the second is 3, the third is 2, and the fourth is empty. The third row has three blocks: the first is empty, the second is empty, and the third is empty. The top row has two empty blocks. To the right of the pyramid is a keypad with numbers 0-9 and a 'C' button. In the background, there are pyramids, palm trees, and people on camels. A small cartoon character is flying in the sky.
