

A year without rain – Selena Gomez

1) Order the verses properly:

	Like I've been wandering the desert For a thousand days Don't know if it's a mirage But I always see your face, baby.
	Can you feel me when I think about you? With every breath I take Every minute, no matter what I do My world is an empty place.
3	I'm missing you so much Can't help it, I'm in love A day without you is like a year without rain I need you by my side Don't know how I'll survive A day without you is like a year without rain
1	I'm missing you so much can't help it, I'm in love A day without you is like a year without rain I need you by my side don't know how I'll survive A day without you is like a year without rain
	It's like the ground is crumbling underneath my feet won't you save me? There's gonna be a monsoon When you get back to me oh baby
	The stars are burning I hear your voice in my mind (it's in my mind) Can't you hear me calling, my heart is yearning Like the ocean that's running dry Catch me I'm falling
2	I'm missing you so much can't help it, I'm in love A day without you is like a year without rain I need you by my side don't know how I'll survive A day without you is like a year without rain
	So let this drought come to an end And may this desert flower again I'm so glad you found me Stick around me Baby, baby, baby... It's a world of wonder With you in my life So hurry baby, don't waste no more time And I need you here I can't explain But a day without you Is like a year without rain
