

Video understanding : HOUSES IN THE UK

1/ Watch these videos

Click here :

And here :

2/ Drag and drop (prendre les mots et les déposer au bon endroit)

NB: an apartment (US) = a flat (UK)

a bungalow

terrace(d) houses

a cottage

a mansion

a semi-detached house

a detached house

a houseboat

a block of flats

3/ Match the type of house with its definition: **write the type of house** (example: a mansion => ne pas oublier l'article devant)

..... —> It's usually an old house, a detached house, in the country (= campagne), with thick walls and often with a thatched roof (= toit de chaume)

..... —> It's a quite small house, on ground level. This type of house is not really widespread (= répandu) in the UK.

..... —> It's a house attached to another house on one side.

..... —> It's a house attached to other houses on both sides.
