Look at the picture. There is a river **in** the picture. Are there any boats **on** the river? Yes, there are two boats on it. Two boys are in the boats. **Near** the river there is a small house . Near the house there is a big tree. What's in the tree? There is a bird in it. **Under** the tree there is a cat. Is there a dog under the tree? No, but there is one **in front of** the house. On the other side of the river, there are many hills. How many hills are there? Let's count them, one, two, three. Maybe there are three hills . What a beautiful picture! Do you like it?

Correct the sentences in the correct order.

Is a river there the picture.

Are boats there on it.

Bird is there a in it.
