Teen health

Read our top tips!

- 1 A healthy teenager sleeps from ten to six o'clock. Go to bed early and get up at the same time every day! And don't play on your phone for a long time before bed.
 - 2 Don't say 'I hate vegetables!' Find fruit and vegetables you like and eat them ... five times a day! And don't eat a lot of chocolate.
 - 3 Healthy teenagers drink a lot of water. Have water in your schoolbag, not cola!
 - 4 How often do you brush your teeth? Just after breakfast? Brush them after every meal every day! You can brush them after lunch at school too!
 - 5 Do you like football, swimming or volleyball? No? No problem! You can ride your bike to school or walk to be active every day.
 - 6 Do you play computer games or watch TV after school? Hang out with your friends sometimes. Friends are fun and they help us with our problems.
