**Verb Tenses:** Read the sentences carefully and choose the correct verb tense to fill in the blanks.

Last weekend I **(watch)** a movie on TV called *When Harry Met Sally*. It's one of my favourite movies. The first time I **(see)** it, I **(think)** it was very funny and heartwarming. I **(laugh)** and **(cry)**.

Let me tell you about this movie. The movie **(star)** Billy Crystal, as Harry, and Meg Ryan, as Sally. Harry **(meet)** Sally at university and at first they **(not/like/really)** each other. Then they meet many years later while they **(live)** in New York City, and they become friends.

Harry **(not/believe)** that men and women can be only friends, but he **(try)** with Sally and they have a long and happy friendship. Over the years they talk to each other about their other love relationships. What **(you/think)** happens at the end? Will Harry and Sally find love together, or will they simply stay good friends? You **(have + watch)** it to find out!
