1- Read the following letter

Our Readers' Letters

Dear Friends Forever,

Here is a photo of my best friend, Mary, and me. Can you guess who is who? Mary is taller than I am, and her hair is shorter than mine. She is stronger than I am, and she can run faster than I can. She is very friendly and nice. I help her with her homework sometimes, because I am better at maths and science than she is. At weekends, we love to ride our bikes in the park, and sometimes we go shopping together. We talk on the phone every day. I am so happy Mary is my best friend! I want to surprise her with our picture in your magazine!

Your reader,
Gina
