

This is love WILL.I.AM

If you love it like I love it

And you feel what I feel inside

If you want it like I want it

Then baby let's get it tonight

If you feel it, say hell yeah (hell yeah)

Say hell yeah (hell yeah)

And say hell yeah (hell yeah)

This is love, this is love, this is love

Can you feel the love? X3

This is love, this is love, this is love

This is love for the _____

Feel it in the streets

Love for the _____, _____ on a sheet

The dope crusader, _____ terminator

I created me a rocker just so we could _____ it later

And the way the beat is knocking

Got me feeling, alright, cause the _____ got me walking on the ceiling (all night)

I got a rocket full of gold, mami's just gold

I filled it up with love and then I watch it explode

If you love it like I love it (Chorus)

Can you feel the love? X3

This is love, this is love, this is love

This is love, this is love, this is love

This is love for the _____, and love for the _____

Love for the _____, _____

Love for computer beat, harder than _____

House beat housing, bouncing in the ghetto

We sip till we smashed up, feeling alright

And we rock the ghetto blaster, _____ all night

I sent a rocket to the globe, armor just stole

I filled it up with love and then I watch it explode...

Yeah, baby, yeah, alright

Can you feel it? Good god, yeah, alright, Can you feel the love?
