I now report directly to Mr. Grey, the Managing Director.

Our new head office is in London. We have been here for one year. Before that, we were based in a small town. We also have a new fleet of cars. We have had **4these Renaults** for five months.

Our main clients are the Ritz and Murdoch business groups. **5They** have been our clients for a long time. Over the years, we have worked **6hard** to satisfy our clients, although we haven't always succeeded!

We have made **7many changes in the company** **8in order to remain competitive**. **9Some people** have had difficulties adjusting to the new procedures **10because they haven't had enough training**. Business had been a little slow due to the recession, but we managed to achieve our objectives last year. Hopefully, we will again this year.
