

10 Read the cartoons below. Which option does NOT explain the humor in the cartoons?

- a Global warming is affecting animals' lives.
- b "To go green" can refer to the color of the frog and to being ecologically correct.
- c The effects of global warming are so intense that the pig is smelling like bacon.

11 Read the cartoons again and answer the questions.

- a Why is the frog green now?

- b Why is the chicken starting to believe in global warming?

12 Write T (true) or F (false) according to what you understand from the cartoons.

- a The pig smells different.
- b The frog changed the color of his body.
- c The frog used to be green.
