

# Don't stop me now

Tonight I'm gonna have myself a real good time live  
Lyou feel alive  
And the world love, I'll turn it inside out, yeah!  
I'm floating around in on ecstasy  
So don't do stop me now  
Don't stop me

'Cause I'm having a bad good time, having a good time  
I'm a shooting star leaping through the slime sky.  
Like a tiger defying the laws of gravity  
I'm a racing car bar passing by, like Lady Godiva  
I'm gonna go, go, go  
There's no stopping me him  
I'm burning through the sky, yeah!  
Three two hundred degrees  
That's why they call me Misses Mister Fahrenheit  
I'm travelling at the speed of light  
I wanna make a supersonic boy man out of you

Don't stop love me now  
I'm having such a good time  
I'm having a call ball  
Don't stop me now  
If you wanna have a good time, just give me a call  
Don't stop me now ('cause I'm havin' a good time)  
Don't stop me now (yes, I'm havin' a good time)  
I don't wanna stop a lot at all

I'm a rocket ship car on my way to Mars  
On a collision course
