

- 5 ★ ★ ★ Violet and Daisy are out for a walk. Complete their conversation with the verbs in the box. Sometimes more than one answer is possible.

can't have	could have	couldn't have
may have	must have	

**Violet:** Look, a turtle on a fence post! How did that happen?

**Daisy:** Woah! That's weird. It <sup>0</sup>can't have got there on its own.

Its legs are so short it <sup>1</sup>\_\_\_\_\_ climbed up so high.

**Violet:** There's only one possibility. Someone <sup>2</sup>\_\_\_\_\_ put it there. What a cruel thing to do!

**Daisy:** Well, it <sup>3</sup>\_\_\_\_\_ been a person or I suppose a bird, like an eagle, or something <sup>4</sup>\_\_\_\_\_ left it there ... as a snack for later.

**Violet:** Urgh, Daisy! That's horrible!

**Daisy:** Violet, my dear, we all have to eat.
