My name is Nigel.I live in Liverpool. I'm going to tell you about my next summer holidays.

Next July, I 'm going to Brighton, a famous seaside resort in the South of England. I 'm going with my parents and my sister Fiona. We' re going to travel by car and stay in a hotel. I'm very happy,we're going to have a great time there !

Fiona and I are going to make sand castles on the beach and my parents are going to sunbathe.We're also going to visit the Royal Pavilion, do watersports, go to the restaurant and have fun on the Pier attractions.We're going to go up the British Airways i360 too, a tower with a great view of the city .I hope the weather is going to be sunny.
