

## Unit 9

# AUXILIARY VERBS

## Extra Practice

**Complete the questions with the correct auxiliary verbs.**

**Think about:**

**Present Simple,  
Present Continuous  
and Past Simple.**

Tony comes from Germany but this summer she's doing a course on "Website Design". I'm staying in a family house. They are warm and friendly. When I first arrived, I was worried but I soon made friends. I often go to the club with my classmates. We usually play sports here – squash and table tennis.

Where

she

come from?

What

she

doing this summer?

How

she

feel when she first arrived?

How often

Tony and her  
classmates

go to the club?

What sports

Tony and her  
classmates

play?

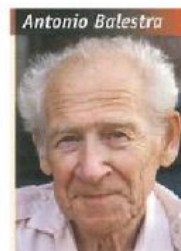

Jez comes from Zagreb, the capital city of Croatia. He's 13 years old. He speaks English, French and Italian. He speaks English very well because he goes to an international school. He studies all the subjects in English. His grandmother was from France so she taught French to him when he was younger. His parents are from Italy so they speak Italian at home.

Where	<input type="text"/>	he	come from?
How many languages	<input type="text"/>	he	Speak?
How	<input type="text"/>	he	Speak English?
How	<input type="text"/>	he	learn French?
What language	<input type="text"/>	his parents	Speak at home?

Antonio Ballestra **came** to the USA in 1947 when he **was** nineteen years old. He **left** home because he **wanted** to see the world. He travelled by ship.
