virus - dance - boogie- rock - weeks - can't - locked - lockdown- freestyle -  
quarantine - wash - can't

We're stuck here in the house for the next four \_\_\_\_\_ or so  
And we won't be going out because the government said NO  
Just my mother and my father and my sister and me and little Maisie too  
So for the family's sanity \_\_\_\_\_ you see what we must do?

Hey Graeme

Yeah?

Do you wanna move

Hey, hey Jo

Can you feel the groove?

I feel the groove yeah

Hey Lani

What's up?

Do you wanna take a chance?

Oh yeah

The family is together so let's just \_\_\_\_\_

Lock the door, hit the floor

It's the family \_\_\_\_\_ boogie

Incarcerated, blood-related

Family lockdown boogie

Dancing queen in \_\_\_\_\_

Family lockdown boogie

We can't go out so we're all about family lockdown \_\_\_\_\_

What a treat it is to be locked down with these three

Because we \_\_\_\_\_ get on each other's nerves if we're dancing constantly

We're staying strong and getting along because that's just how we do

Won't let this \_\_\_\_\_ divide us so try this with your family too

The streets are empty and the doors are \_\_\_\_\_

We've got time aplenty and the fridge is stocked

We're a nuclear family and we know how to \_\_\_\_\_

So lock it down and turn it up right now you don't need to stop

Lock the door, hit the floor it's the lockdown boogie

Incarcerated, blood-related

Family lockdown boogie

Dancing queen in quarantine family lockdown boogie

We can't go out so we're all about family lockdown boogie

Now \_\_\_\_\_ your hands, do not touch your face, cough into your arm, keep two meters of space, stay inside your bubble, don't forget to smile and for the next four weeks do family lockdown \_\_\_\_\_

Lock the door, hit the floor ...
