theatres museum turn ~~palace~~ right straight

Hi, Emma! The <sup>1</sup> palace in Amsterdam looks interesting. I live in Colchester. It's the oldest Roman town in the UK. There were two Roman <sup>2</sup> theatres here, but now there's only a Roman museum. Here's a photo!

Great! It looks really old.

Is the <sup>3</sup> museum near your house, Larry?

Yes, it is. You <sup>4</sup> turn left at the end of my street, and go <sup>5</sup> straight on until you come to the hospital. Then you turn <sup>6</sup> right and there it is. It's easy to find!
