

# Adults Module B

Read and match the halves.

- |                                      |   |
|--------------------------------------|---|
| • He can play                        | but now I'm wearing trousers and sandals.           |
| • You can't                          | cakes. She cooks delicious!                         |
| • I usually wear a jacket and shoes, | for the bus.  |
| • She likes painting                 | use the phone in a bank.                            |
| • He doesn't like                    | football really well. He is the best of the team!   |
| • My mum loves making                | her nails on her free time.                         |
| • My sister hates waiting            | only one cinema near the San Martin park.           |
| • In Cutral Co, there is             | famous hotels like the Bellagio and Caesar's Palace |
| • In Las Vegas there are             | flying, he gets really nervous!                     |
