

Do's and don'ts for good drivers.

1. If you drive a car you            have a driving licence.
2. When you come to a roundabout you            slow down.
3. If you are driving you            use your mobile phone.
4. You            stop at a red light.
5. You            always drive carefully.
6. You            drink and drive.
7. You            stop at a zebra crossing all the time.
8. You            look out for vulnerable road users.
9. You            drive too fast in icy weather.
10. You            accelerate or brake too harshly.
