

LISTEN THE SONG AND COMPLETE WITH CAN OR CAN NOT (ESCUCHE LA CANCION Y COMPLETE CON CAN OR CAN NOT)

The Moment of Truth

When you're alone you ask yourself

What are you searching for

Deep in the night a dream is born

One that you ignore

If you think you find the
passion

And you're ready to take a chance

If you really believe you make it

Then the power is in your own hands

It's the moment of truth

You're giving it all

Standing alone, willing to fall

If you do it

Get up and prove it

Get up and show them who you are

It's the moment of truth

It's all on the line

This is the place

This is the time

Waited forever, it's now or it's never

Nothing stop you now*

Once in your life you make a choice

Ready to risk it all

Deep in your soul you hear a voice

Answering to the call

Though you know that it won't be easy

It's a promise you make for love

For the people that keep believing

And the one that you're thinking of

It's the moment of truth

You're giving it all

Standing alone, willing to fall

If you do it

Get up and prove it

Get up and show them who you are

It's the moment of truth

It's all on the line

This is the place

This is the time

Waited forever, it's now or it's never

Nothing stop you now.
