3. Listen and read the story.

Listen and read. 218

Coco's adventure

1 Where did you go today? We went to Water World. It's an aquarium. We had a great time! It was brilliant, Mum.

2 Did you see lots of fish? Yes. I saw a jellyfish, an octopus, a seahorse and lots of fish!

3 And Coco saw the fish too... No, Coco! You can't eat the fish!

4 At lunchtime we had egg and chips... and we all had chocolate ice creams. But Coco wanted to eat the fish!

5 And then she fell into the water! Meow!

6 And then we saw a shark! We were really scared, and Coco was too.

7 But it wasn't a shark. It was a dolphin!

8 Coco was a star! She played with the dolphin. Hurray! Well done, Coco!

9 And at the end of the show she had fish for lunch. She liked the fish! We had a great day!

4. After Reading and listening the story, complete the summary.

Eve and the children went to Water World. They saw lots of _____. Coco wanted to _____ the fish and she fell into the _____. Then Coco and the children saw a shark and they were _____. But it wasn't a shark- it was a _____! Coco played with the dolphin and she had fish for _____. Everybody had a fantastic day.
