INSTRUCTIONS - Complete the sentences using parts of:

- **Zero Conditional** ***[(If/when + present simple) + (present simple)]***
- **Second Conditional** ***[(If/When + past simple) + (would + infinitive verb)]***

If I in love with you
Would you to be true?
And help me understand
'Cause I've been in love before
And I found that love was more
Than just holding hands

If I give my heart to you
I sure
From the very start
That you me more than her

If I trust in you oh please
and hide
If I love you too oh please
my pride like her

'Cause I **couldn't stand** the pain
And I would be sad if our new love **was in vain**

So I hope you see that I
to love you
And that she
When she learns we are two

'Cause I couldn't stand the pain
And I would be sad if our new love was in vain

So I hope you see that I
to love you
And that she
When she learns we are two
in love with you
