Complete the sentences using verbs in the gerund (verb+ing), infinitive (to+verb) and bare infinitive (just the verb)

You call to me, and I fall at your feet
How could anyone for more?
And our time apart, like knives in my heart
How could anyone for more?
But if there's a pill me forget,
God knows I haven't found it yet
But I'm dying to, God I'm trying to

[CHORUS]

'Cause trying you, only goes so far
Trying you, is tearing me apart
Can't the **silver lining**, from down here on the floor
And I just keep on , but I don't know what for
'Cause trying not to love you
Only makes me you more

And this kind of pain, only time **takes away**
That's why it's harder you go
And nothing I can do, without of you
That's why it's harder you go
But if there's a pill me forget,
God knows I haven't found it yet
But I'm dying to, God I'm trying to

[REPEAT CHORUS]

So I sit here divided, just to myself
Was it something that I did?
Was there somebody else?
When a voice from behind me, that was back tears
Sat right down beside me, and **whispered** right in my ear
Tonight I'm dying you

That trying you, only went so far
Trying you, was **tearing me apart**
Now I see the silver lining, of what we're fighting for
And if we just keep on , we could be much more
'Cause trying not to love you
Oh, yeah, trying not to love you
Only makes me you more
Only makes me you more
