

## Should've Said No

Taylor Swift

- Complete with the missing words.

It's strange to think the **SOUNDS / SONGS** we used to sing  
The **LAUGHS / SMILES**, the flowers, everything is gone  
Yesterday I found out about you  
Even now just looking at you **IS / FEELS** wrong  
You say that you'd take it all back, given **A / ONE** chance  
It was a moment of **WEAKNESS / STRESS** and you said yes

### CHORUS

- Complete the chorus

You should've \_\_\_\_\_,  
You should've \_\_\_\_\_  
You should've thought twice before you let it all go  
You should've known that word, but what you did with her  
Would \_\_\_\_\_ to me  
And I should've been there, in the back of your mind  
I shouldn't be \_\_\_\_\_  
You shouldn't be begging for \_\_\_\_\_s at my feet  
You should've \_\_\_\_\_, baby and you might still have me

- Correct the mistakes.

You can see that I haven't been crying  
And baby you know all the right things to do  
But do you truly expect me to believe  
We could ever be together  
You say that the past is the past, you need another chance  
It was a minute of weakness and you said yes

### CHORUS

I can't resist... before you go, tell me this  
Was it worth it?  
Was she worth this?  
No... no no no

---

1. According to the song, what happened between the couple?

---

---

2. What things should he have done differently according to the girl?

---

---

3. What things both of them could have done differently in your opinion? Write 3 sentences.
