

Name:

Crossing the Road Part 2

1. Select the pictures of the footbridge:

2. Select the pictures of the traffic island:

Theo Pfeiffer Sprinkle Consulting

3. Select the picture that shows someone safely crossing the street where there is no pedestrian crossing:

4. Select the pictures that show someone crossing between parked cars safely:

5. Put the steps to crossing between parked cars in the right order:

1.	2.
3.	4.
	
<p>Make sure the cars are not about to move off! (Check if driver is in the car, if lights are on, if you can hear the engine)</p>	<p>When there is no traffic near, cross carefully, looking and listening for all the traffic all the time as you cross.</p>
	
<p>Choose a safe place to cross where there is space between 2 cars and its easy to get to the to the other side of the road</p>	<p>Walk on the outside edge of the cars and stop. From here you can look and listen for traffic.</p>

6. Select the pictures that show people crossing the road at night safely:
