A Terrible Trip				
Day 5 It's a beautiful day and the men very strange things. It was commanything we knew! And the insect Day 8 We're in the desert. There are shining brightly in the sky. My fit temperature has fallen to 18°C. Day 10 It's an awful day. It's very windy in the morning, there was a terr thunder and then we saw a flash Day 15 It was decided this morning that discovered any water. The trip hit's time to go home!	mon for us to ts - so many stones and so riend Dominio It will be col v and we can ible thunders of lightning. t we will go b	see creatures of them! and everywhere c recorded a te d sleeping on t not see because storm - but of We were very ack. This isn't	in the distance - the control of the aren't any perpendicular of 35°C! the ground tonight. The course, no rain. First frightened that we aplace for animals -	ey didn't look like plants or trees. The sun is Now at 7pm, the eyes. Two hours ago, at 8 t, we heard a crash of might be hit. or people! We haven't
