

"Heal the World" by Michael Jackson

Watch the video, listen to the song and solve:

1- Choose the correct alternative:

There's a place in your **brain/heart** and I know that it is **doubt/love**.
And this place could be much **brighter/bigger** than **yesterday/tomorrow**
And if you really try you'll **see/find** there's no need to **die/cry**
In this place you'll feel there's no **hurt/pain** or sorrow
There are ways to get **here/there** if you care enough for the **giving/living**
Make a little **place/space** make a better **space/place**...

2- Put it in the correct order

Chorus

- () For you and for me and the entire human race
- () Make it a better place for you and for me.
- () Heal the world make it a better place
- () There are people dying, if you care enough for the living

3- Fill in the blanks:

If you want to know _____ there's love that cannot _____
Love is _____ it only cares of joyful _____.
If we try we shall _____ in this bliss we cannot feel,
Fear of dread we stop _____ and start living
Then it feels that _____ love's enough for us _____
So make a better _____ make a better _____...

CHORUS

4- Match the sentences

And the dream we were conceived in	is heavenly Be God's glow...
And the world we once believed in	wound this earth, crucify its soul
Then why do we keep strangling life	will reveal a joyful face
Though it's plain to see this world	will shine again in grace

5- Put these words in the right place: heart — living — happy — Spirits — nations

We could fly so high let our _____ never die
In my _____ I feel you are all my brothers
Create a world with no fear together we'll never cry _____ tears
See all the _____ turn their swords into plowshares
We could really get there if you cared enough for the _____
Make a little space To make a better place

CHORUS

Vocabulary practice:

1- Write under each picture the letter of the action that corresponds:

- a- Throw rubbish
- b- Use plastic
- c- Emit gases
- d- Cut trees
- e- Waste energy
- f- Waste water

- g- Use chemicals
- h- Sort waste
- i- Use cloth bags
- j- Plant trees
- k- Walk or ride to work
- l- Grow an organic garden

2- Write the previous actions into the correct category:

<i>Good for the environment</i>	<i>Bad for the environment</i>

3- Place the words under the correct pictures:

Consequences of damaging the earth

Heat wave - higher temperatures - ice melting - Flood - wildfire - diseases - drought - extinction

4- Match the vocabulary with its definition:

- | | |
|----------------------|--|
| • HEAT WAVE | A fire that is out of control and covers a large area |
| • HIGHER TEMPERATURE | A large amount of water covering an area which is usually dry. |
| • ICE MELTING | A long period when there is little or no rain. |
| • FLOOD | A period when high temperatures are unusual. |
| • WILDFIRE | Hotter than usual |
| • DISEASES | Illnesses of people, animals or plants. |
| • DROUGHT | The melting of big blocks of ice. |
| • EXTINCTION | When the last representative of a species or group dies. |

5- Listen and choose:
