

## New York

Last month I went to New York. It's a very big city in the USA. I loved it!

I visited the Times Square. It's very crowded. I went to the theatre on Broadway. It was exciting. I also saw the Statue of Liberty. It was very big. I ate New York pizza. It was very good!

Stuart

1. Stuart went to London...
  - a. last year.
  - b. last month.
