"Don't Worry, Be Happy"

Here's a little song I wrote

You might want to sing it note for note

In every life we have some _____

When you worry you make it _____

Don't worry, be happy

Don't worry, be happy now

.....

Ain't got no _____ to lay your head

Somebody came and took your _____

Don't worry, be happy

The _____ say your rent is late

He may have to litigate

Don't worry, be happy

(Look at me I'm happy)

Ain't got no _____, ain't got no _____

Ain't got no gal to make you _____

But don't worry, be happy

'Cause when you worry your face will _____

And that will bring _____ down

So don't worry, be happy

Don't worry, be happy now

Now there, is this _____ I wrote

I hope you _____ it note for note

Like good little _____

Don't worry, be happy

_____ to what I say

In your life expect some _____

When you worry you make it _____

Don't _____, be happy, be happy now.
