BOOK REVIEW

A recommended book on the cinema

There are (54) volumes on the history of the cinema. Some provide only a brief overview. The book opens with a chapter on the historic first screening of a moving picture, and works its way (57) through to the present day. Thousands of items are presented in a way that bears a strong (58) to contemporary newspaper reports. But what makes this book a treat is its (59) illustrations. These are (60) and include full-colour reproductions of some of the most unforgettable movie posters ever designed. The whole atmosphere of the Hollywood films of the 1940s is conveyed with great (61) in these posters.
