Hi Lana,

I love my new apartment.

It is in a great
neighborhood. My

children's school is across
the street. They like the
school a lot. There is a

community center down
the street. My husband
works at the grocery store
next to our apartment. He

can walk to work. There is
also a great Chinese

restaurant on 3rd street
across from the grocery
store.

My new place is in the
best location, but I miss
you a lot.

Your friend,
Angela
