

## COPYCAT

Listen to the song and choose the best alternative

Don't be cautious, don't be \_\_\_\_\_  
You committed, I'm your \_\_\_\_\_  
\_\_\_\_\_ my button anytime  
You got your \_\_\_\_\_ on the trigger, but your trigger,  
fingers \_\_\_\_\_.

Silver \_\_\_\_\_, golden \_\_\_\_\_  
Dirty \_\_\_\_\_, poison rain \_\_\_\_\_  
Perfect \_\_\_\_\_, take your aim  
I don't belong to \_\_\_\_\_, but \_\_\_\_\_ knows my name.

By the way, you've been \_\_\_\_\_  
'cause all you \_\_\_\_\_ are all the same things I did

Copycat \_\_\_\_\_ to cop my manner  
Watch your back \_\_\_\_\_ you can't watch \_\_\_\_\_.  
Copycat trying to cop my glamour  
Why so \_\_\_\_\_, bunny? You can't have \_\_\_\_\_?

Call me calloused, call me \_\_\_\_\_  
You're \_\_\_\_\_, I'm in \_\_\_\_\_  
Call me cocky, \_\_\_\_\_ your tone  
You better \_\_\_\_\_ me, 'cause you're  
just a clone.

By the way....  
I would \_\_\_\_\_ to see you go  
Hate to be the one that \_\_\_\_\_ you so  
You just crossed the line, you've run out of \_\_\_\_\_  
I'm so \_\_\_\_\_, now you know  
Sorry I'm the one that told you so. Sorry, sorry,  
I'm sorry. Sorry. Sike
