

Today is National Eat Your Vegetables Day!

Let's celebrate with these veggie math problems!

1. How many pieces of broccoli?

4

1

3

2. How many peppers?

6

1

7

3. I had 10 celery sticks. My friends ate 6 pieces of celery. How many celery sticks do I have left?

10

4

6

4. I am going to buy 3 yams. Each yam costs \$0.25
