# Heroes

We are the heroes of our time  
But we're dancing with the **demons** in  
our minds  
We are the heroes of our time  
Heroes, heroes..  
But we're dancing with the **demons** in  
our minds  
Heroes, heroes

And tell the others  
To go sing it like a hummingbird  
The greatest anthem ever heard

What if I'm the only hero **left** ?  
You better **fire** off your gun  
Once and forever

The crickets sing a song for you  
Don't say a **word**, don't make a  
sound  
It's life's creation

Don't tell the gods I left a **mess**  
I can't undo what has been done  
Let's run for cover

We are the heroes of our time  
But we're dancing with the **demons** in  
our minds  
We are the heroes of our time  
Heroes, heroes..  
But we're dancing with the **demons** in  
our minds  
Heroes, heroes

He said go **dry** your eyes  
And **live** your **life** like there is no  
tomorrow son

Now go sing it like a hummingbird  
The greatest anthem ever heard

I make **worms** turn into **butterflies**  
Wake up and turn this world around  
In appreciation

He said I never left your side  
When you were lost I followed right  
behind  
Was your foundation
